

## MYSTERY PROJECT STEP 7

For step 7 you will need:

Cream tonal fabric for stitchery 9" x 10" plus pellon or flannelette to back.

Red DMC

6 scraps of fabric: one @ 7" x 2"; two @ 6" x 1¼"; two 2" squares; one @ 1" x 3"; and six 'roll-ends' from pattern as marked.

A scrap of fabric for the 'F'.

DMC to match all 6 fabrics.

Paper backed fusible webbing

From your fabrics, cut the measurements above. Cut paper backed webbing to correspond with each piece and press to WS of fabric. Peel off paper. Position the large roll first and tuck the roll-ends underneath at each end. Press in place. Add a small roll on top, overlapping a little. Again tuck in the two end-rolls and press. Repeat with the third roll. Add the two 2" squares as shown, and press. Using 2 strands of matching DMC, blanket stitch all pieces.

Place fabric over light box and trace off the text, **except the 'F'**.

Back work with flannelette and backstitch with 3 strands of red DMC. Satin stitch the heart.

Trim work to 8½" x 9½".
